Foreword

Our high school life is now about to draw to a close. Some of us will go on in the field of education, many will choose other careers.

In a year or two we will all reminisce over the events of the past four years. We will remember all the friends we made and the good times we had together. This yearbook will help us to remember.

We will remember our school life and how we tried to profit by every mistake. Some subjects we understood, others we did not grasp. But every day we learned something new, and even now we are still learning and will continue to learn for the rest of our lives. "Education is not a mere means to life; Education is life."

JAMES M. HORTON

After twelve years of effort, you have reached a plateau in your lives. Some will continue to higher planes and some will stop at this level. 1957 offers more opportunities, perhaps, than any recent year has offered. This is shown in the expansion of the industrial facilities in Burlington and surrounding communities.

Many of these industries were not in existence when you started your education. The field has such possibilities for students well versed in mathematics and science that no one can tell how great they may become.

It is the hope of the faculty of Burlington High School that many of the Class of 1957 will take advantage of these opportunities. You have reached a year of decision. May you choose wisely.

James M. Horton

Dedication

WILLIAM J. O'CONNELL

This yearbook is dedicated to Mr. William J. O'Connell, member of the Burlington High School faculty.

Since coming to Burlington in 1954 he has taught English and French, served as Assistant Coach in Football and Head Coach in Baseball, and has been instrumental in the modernization and enlargement of the school library.

He is noted especially for his kindness, humor, and size, along with his willingness to help those who have need of assistance.

Class Poem

For some our schooling's over,
For others it's just begun;
But learning doesn't stop right here,
As soon as school is done.

We learn great things from life,
Some of them not so sweet;
And many will get discouraged,
By hindrance they will meet.

The road of life is bumpy,
With many detours in it;
So don't expect smooth sailing,
For each and every minute.

Just keep your head above the clouds,
As you try to reach the top;
Don't ever get discouraged,
Don't let your progress stop.

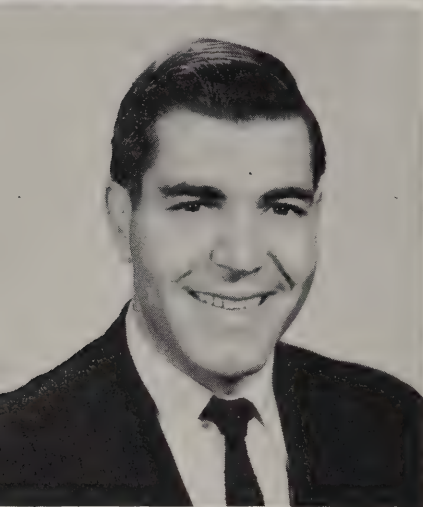

So now, the world is waiting,
To see what you will do;
And as you travel down life's road,
May God watch over you.

The Class of 1957 is grateful to Mr. John E. Fogelberg for his assistance in the publication of our Yearbook.

Class History

by Pauline F. Sloan and Joan Surette

'Twas a day in September, the year 45,
22 students began their long drive.
The Union School teachers had quite a jolt,
when their doors our class did unbolt.
Our first big thrill was 6th grade graduation,
which was, for us, quite an occasion.
We entered the high school without any fear,
until detention and homework changed our idea.
We were the "little seventh graders" to all those above us,
and there was Mrs. Hutchings, a mother to all of us.
On reaching the ninth grade we started our climb,
this first year of high school was really sublime.
The 10th was heaven with the Mistletoe Hop,
our class was moving and it just couldn't stop.
Juniors at last and raring to go,
class rings ordered, everything just so.
This was our Prom year, what a delight,
everyone was happy that wonderful night.
Seniors at last with one more year in this place,
we had to keep this wonderful pace.
Our Kick-off Hop was the first dance of the season,
and was a hit for obvious reason.
Our pictures arrived the 12th of December,
that was a day for all to remember.
The winter flew by and spring was upon us,
These last days of High School looked full of promise.
The Senior Reception was happy and gay,
and took quite a lump out of every boy's pay.
From 22 students our class did expand,
Until on graduation night 53 did stand.

Class Song

1. Fare-well to thee, O Bur-ling-ton, we'll leave you, 've-ry soon.
We're sorr-y to be part-ing, so sol-emn-ly this June.
We'll ne'er for-get these days gone by, those glo-rious days of yore,
While oft we sing the prais-es of our school forevermore.

CHORUS.

2. But when at last we leave be-hind, thy shel-t'ring por-tals wide,
Thy hon-or still we'll cher-ish, what-e'er may us betide.
And when we con-gre-gate a-gain with tune-ful voice and strong,
With joy-ful hearts once more we'll sing this same old glo-rious song.

CHORUS.

Chorus: Dear High, dear Bur-ling-ton, thy mem-'ries never die.
Thy hon-or we'll cher-ish and laud it to the sky,
On ball-field or in life, in peace or dead-ly strife,
It's thee we love, O Bur-ling-ton, it's thee, our dear old High.

Arrowhead Staff

Sitting: M. Bennett, L. Goldstein, J. Hornsby, B. Graham.

Standing: Mr. Fogelberg, C. Porter.

Due to the fine co-operation of the members of the staff, the Arrowhead for 1957 appears to be one of the best yearbooks ever published by the Burlington High School.

The superb writing and editing by Messrs. Hornsby and Sarno, together with the art work of Carl Porter and Dorothy Holland were the backbone of the yearbook.

A complete sports coverage by Mary Bennett with the aid of "Captain" Dick Gurney was instrumental in the formation of the Arrowhead.

The business end was wrapped up by Miss Bunny Graham.

I wish to take this opportunity to express my appreciation to the members of the Arrowhead staff for their fine work and to the whole senior class for their excellent co-operation.

The purpose of the Student Council of Burlington High is to promote a closer relationship between faculty and students. Although it is primarily an advisory body its suggestions are often regarded as helpful and adopted by the faculty. The Council is made up in part by the vice presidents of the different classes plus various other elected members from the school. It also has as members students representing the various organizations and clubs of the school. The Council elects its own officers, holds monthly meetings, plans and carries out its own activities, and in general is an independent body. The wish of the Council is that in the future its members enjoy the fine guidance we have had under Miss Murphy and we hope the Student Council of Burlington High School will always be an organization of which we may be justly proud.

EDDIE SARNO

Honor Society

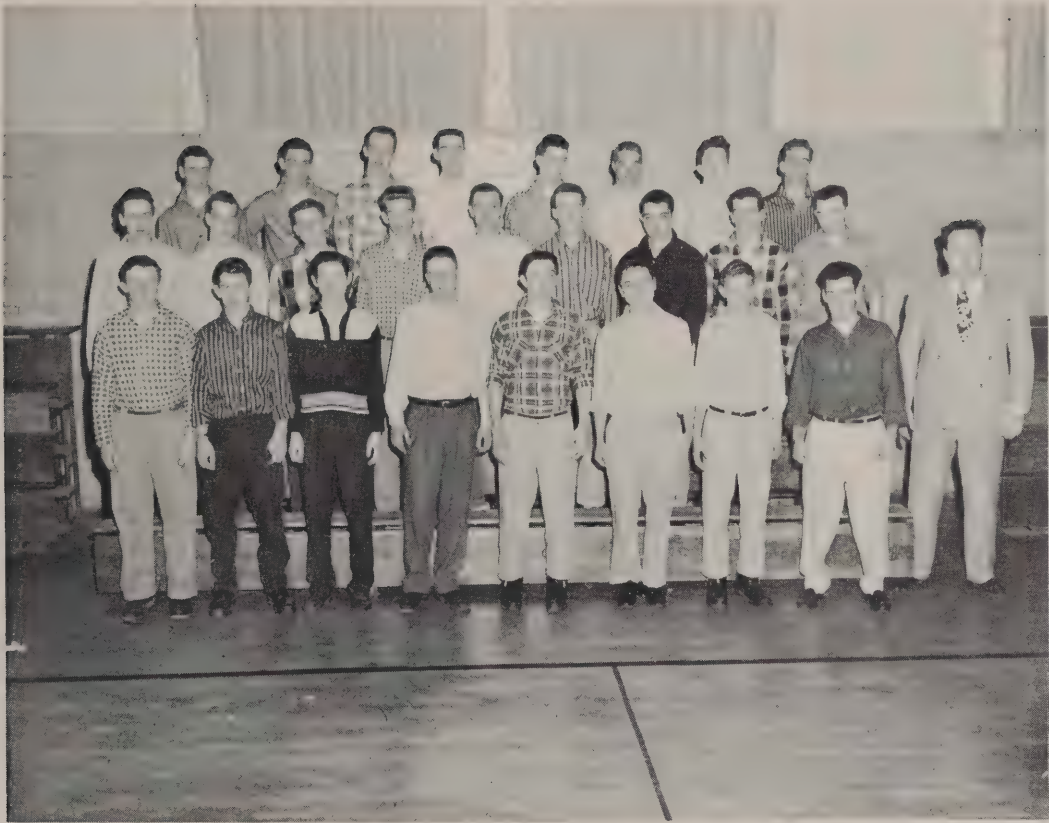

Standing: D. Perkins, A. Thayer, J. Hornsby, M. Graham, J. Patterson.
Seated: L. Goldstein, E. Sarno, Mr. Mohan, J. Given, B. Bennett.

This has been the first year that Burlington High has been a chapter of The National Honor Society. In our beginning we of the society have tried to lay a basis for succeeding members to follow. Our ambition is that in future years N. H. S. will have built up a prestige in Burlington High equal to or better than that of any other school. National Honor should be a goal for every college preparatory student to aim at, and when attained should be a mark of pride for the student. In closing, I hope that in the future our members will have the fine guidance that we have had under Mr. Mohan.

Through the combined efforts of Burlington High School's active lettermen and the able leadership of Richard Roche, the Varsity Club has filled a needed place in the Burlington sports system, giving jackets to the departing seniors as a token of appreciation for their efforts on the athletic field.

The Varsity Club is an organization of the boys who have co-operated in making the school's sports program one of which alumni and undergraduates have reason to be proud.

The Senior members of the Varsity Club wish to extend their best wishes for continued success in sports to the future athletic teams of Burlington High.

Sitting: S. Lynch, R. Ryan, C. Thayer, R. Frost, C. Mohan, S. Stewart.

Six years ago the Burlington School Band was founded and organized by its present director, Mr. Thomas H. Deechan. The first band rehearsals were held at the home of the late Mrs. Ena Milner of Lexington St. It was through her interest and generosity that the band got its start.

Today's band consists of twenty musicians with an additional forty children studying in the instrumental classes.

This year the band was invited by Lions International to appear in their Halloween parade held in Woburn, Mass. Newspaper notices read "Burlington Band Big Hit".

Weekly band rehearsals are held at the High School in preparation for Memorial Day and Graduation.

This year a new innovation at Burlington High was the Dramatic Society.

Under the stellar direction of Mr. Fogelberg, Mr. O'Connell, and Miss Murphy, the society put on two one-act plays at Christmas-time and another production in the spring. Seniors with starring roles were Bob Wilkie and Evelyn MacKay, with a fine supporting cast. Ann Harvey, Jean White, and Mary Bennett were assistant directors.

The Dramatic Society chorus made its debut at Christmas and rendered several Christmas carols in excellent style.

It is hoped that this group will continue to produce quality plays at our school in the years to come.

Football

Thus ends another football season at Burlington. Through the combined efforts of both players and coaches, we have accomplished many goals. Not only goals in the sense of touchdowns, but goals of a deeper significance. Among these are good sportsmanship, the ability to integrate with fellow players, and discipline, both mental and physical.

We, the football team of 1957, have much to be grateful for. We were in possession of two great coaches, Mr. Roache and Mr. O'Connell, whose untiring efforts led us to a successful season; we had the advantage of playing on our own field for the first time; we had new locker-room facilities, and also the use of new and better uniforms and equipment.

Football in Burlington has been growing steadily stronger. This is due to the rising spirit of the student body, to the interest of citizens of the town, and, most of all, to the energy and enthusiasm of the players themselves, who attended practice daily and were often under great physical strain.

With the help of the band under the able leadership of Mr. Deecham, and the cheerleaders, the football team retained its tremendous morale throughout the year, which led to a "good time for all, and a great season of ball".

Boys' Basketball

This year, Burlington High School, with one of its best teams in years, finished in third place in the Lowell Suburban League and had an impressive season's record of 9-7.

The biggest factors in the team's success were the stamina, endurance, and cooperation of the boys themselves plus the steady and untiring efforts of Coach O'Brien.

Based by the solid foursome of Jack White, Bob Wilkie, Jack McGinness, and Jerry Skelton, the team entered the post-season Bay State Tournament and played well only to be nipped at the finish by a fine Charlton team.

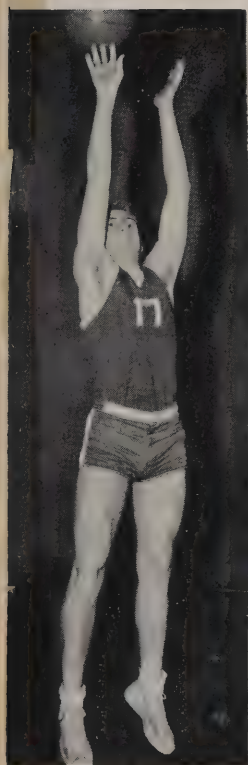

The captains extend best wishes for a good season next year and in the years to come.

The Burlington Girls' Basketball Team of 1957 had a very successful season. Under the expert coaching of "Coach" Fabian, the girls won first place in the Ashby Girls' Basketball Tournament, taking home five out of a possible twelve trophies. Among these trophies were two all star trophies which went to Co-Captains Jean White and Mary Bennett. Captain Bennett, who scored 59 points in a regular season game against North Andover, also had the honor to win the trophy for most valuable player of the tournament.

During the regular season the girls won ten games, losing only two. The accurate shooting of Bennett, Given, and Snelly, along with the fine defensive work of Harvey, White, Kozlowsky, and the Graham sisters, accounted for numerous victories.

The departure of many seniors this year leaves openings to be filled and we sincerely wish the girls who fill them, all the luck in the world.

MARY BENNETT, *Captain*

Cheerleaders

Left to Right: Lorraine Doherty, Pat Casey, Barbara Bennett, Sylvia Merino, Captain, Jean O'Connor, Catherine Skelton, Kay Stack.

Absent cheerleaders: Janice Dobbins, Janet Canales, Carol Ferguson.

The 1957 edition of the Burlington Cheerleaders, captained by Sylvia Merino, was a credit to our school. During the freezing football weather the cheerleaders were always on the field cheering, often until they were hoarse. They could always be observed during school hours stirring up spirit among the students.

Our unsung heroines also made a name for themselves during the Ashby Girls' Basketball Tournament by tying with Southboro for second place among the cheerleading teams.

Losing only one senior I am sure that next year's team will continue to carry the school on to more victories in all sports.

Class Prophecy

The Burlington Star June 27, 1957

This is the syndicated column of Miss Ann Harvey representing the Piggely-Wiggely Chain of Newspapers in 79 cities and BURLINGTON.

The 10th reunion of the class of 1957 took place yesterday at the new Motorama only recently built in the Biltmore section of town, and now owned and operated by the Honorable Carl Porter. Guests were shown to the lounge by the doorman, Carl Olson, looking very sharp in his pink and black uniform, where they were greeted by the host of the evening, Stanley Pyszynski, now a big Butter and Egg man for the Gregory Gardner chain of Help-Your-Self stores. "Ace" Hovasse the famous jet-pilot, who incidentally was the first person to break through the Philip O'Donnell sound barrier, and Admiral Robert Wilkie, now in command of the largest fleet of fighting ships ever assembled by any nation, were guests of honor.

Miss Carolee Cronin, sweet young thing currently starring in her own production of "YOUNG AND INNOCENT", one of Broadway's latest hits, was present with her director Sir David Berkley and his assistant Edward Chapman. Co-starring with her in this delightful comedy is Paul Mortimer Smith also a member of this illustrious class. Several big names in the movie industry were also present in the persons of the Misses Dorothy Perkins and Evelyn McKay, who incidentally have won Oscars for the best supporting actresses of the year.

The automotive world was well represented at last night's reunion. Mr. R. Allan Gurney, now Senior Vice President second class of Rideout Prefab Auto Inc., and Monsieur John McGinness of Gear, Gears and Plugs were present with two of the top car designers of the world, Vincent Howard and Charles Biganzoli, who have become famous both here and abroad for their supersonic car designs.

At seven o'clock dinner was announced by the distinguished looking head-waiter of Motorama, John White. The hors d'oeuvres were the gastro-

nomic masterpieces of those two famous cooks Priscilla Gillis and Edna Martin and we have learned since that the meal was prepared by that fabulous Chef Dorothy Holland and her three trusty assistants June Rossen, Joan Surette, and "Red" O'Keefe.

The entertainment for the evening was in the capable hands of the master of ceremonies, Richard Wing. He has his own television show each morning at 6:30 sponsored by "Babies' Toiletries." The program began with a fashion revue with clothes styled by Sweeny. Modeling the creations of this excellent designer were two famous Parisienne models Elaine Duncan and Joan Kelly, who were ably assisted by two equally famous Beauty Contest winners, Bunny Graham and Carol Ferguson.

During the evening a telegram was received from Miss Mary Bennett regretting that she could not attend the reunion. She is currently representing the United States at the Olympics now being held at Smellie, Peru. So far she has won the 80 meter hurdles, the javelin toss, and is trying for the world record in broad jumping.

This was followed by a terrific act by those super-colossal comedians Tony Santullo and Mary Bonaiuto, who demonstrated the correct way to eat spaghetti while standing on your head in Times Square. "Antenna" Wyr performed several tremendous feats on her unicycle. The show was brought to a triumphant conclusion by that dynamic burlesque king Ken McLean and his stately, shapely and beautiful chorus line, which included "Lou-Lou" Petersen, "Congo" Pratt, "Shorty" Sloan, "Margo" MacDonald and "Poop-sie" Patterson.

It is interesting to note how many in the class of '57 remained in Education. Here at the reunion was the entire faculty of the James Hornsby School of Etiquette; Mr. Bauguess, teacher of elocution, Mr. Sanchez, teacher of the dance, Mr. O'Leary who is in charge of place settings, Mr. Gerbrands who directs dramatics with a flair all his own. Also attending the gala affair were Mr. Edward Sarno, now professor of English at Harvard University, Mr. Daniel Leonard, professor of American History at Yale, and Mr. Robert Miln, a nuclear physicist on the staff of M.I.T. Miss Jean White, now head coach at Burlington High, and her able assistant, Miss Anna "Dribbles" Kozlowsky, were the center of attraction of this small group.

The only sober event of the evening was the speech given by that eminent Philadelphia lawyer, Lawrence Goldstein who spoke about the problems facing the youth of today. "Mens sana in corpore sano" he said.
